To Whom It May Concern:

I have had the privilege of watching Vanessa Puleo present on multiple occasions and feel that it is a privilege to be in the audience and watch an entertaining, dynamic and motivating facilitator at work. A few minutes into a presentation you can tell by the audiences body language that they are hooked. She draws on current business examples and is not afraid to tell them what they need to hear to survive and compete in today's economy. Vanessa will enhance any conference and leave the attendees feeling empowered. The passion and knowledge she brings is immeasurable. Vanessa is a compelling and energizing speaker with knowledge to speak on many facets of starting and running a successful and thriving business.

If you want to have your audience spellbound for an hour and leave feeling like they have gained real world experience and knowledge that they can put into practice immediately Vanessa Puleo is the right choice for your event.
