MACON/JACKSON NC

"Building houses in partnership with God's people in need"

October 6, 2016

To Whom it may concern:

This letter is to recommend Led2serve from Longwood, Fl. They have done several mission trips to our area. Habitat for Humanity Macon/Jackson NC has worked with them on a number of occasions. They have painted, built ramps, and helped clear brush, among other things. The kids were always well behaved and hard working. They truly have a heart for serving. It is always a blessing when they come.

Sincerely,

John Wert
