

## MUTUAL AGREEMENT AND UNDERSTANDING

**Out of our experience of coordination, we have formulated the following agreement for all teams/ individuals who choose to serve with us. The purpose of the guidelines is to maintain the safety and effectiveness of the team and our organization.**

*I/we understand that by joining a led2serve Service Journey, I/we are working together to achieve the goals of building partnership, community development, sharing love and caring for others. By joining this Journey, I/we commit to uphold, support and strengthen that mission and vision. I will respect the leadership and guidelines of my Journey Leader(s).*

*I/we understand led2serve's commitment: to facilitate the logistics of the trip which may including meals, lodging, transportation, site set-up and to ensure that service project details are arranged.*

*In turn, I/we commit to maintain utmost respect for the vision of led2serve, its staff members, and the people and partners throughout the Journey. I will conduct myself with high integrity and character with other team members and community partners.*

*I/we understand that any additional costs incurred (such as extra trips to the airport, etc.), as a result of dismissal, unplanned departures, or need to leave the trip early for any reason, will be my responsibility.*

*I/we will only perform activities that I am comfortable doing and will work at my own pace. I understand that my participation may involve physical activity, contact with unfamiliar persons and travel to and from various locations.*

*I/we understand that unless I have registered for a Service Mission Journey with a specific faith focus, some of my team may or may not have a belief system similar to mine and will be from all walks of life. With this in mind I will act respectfully towards those whom I am serving with.*

*I/we agree to not use foul or rude language, including jokes or any conversations that could be considered harassment of any kind. I will use my free time in the community in a respectful way. I/we understand that if I am of age, and choose to drink on a Journey, I will be respectful of the choices others make and will not overindulge.*
